

Climacyl Horizontal Twin Coil Unvented Heat Pump Cylinders

150L-300L

**WORLD HEAT**
CYLINDERS

High quality British manufactured stainless steel horizontal hot water cylinders, for lofts, ceiling voids and anywhere a tall cylinder won't go.

World Heat Cylinders manufacture a full range of horizontal unvented heat pump cylinders, with a heat exchanger designed for heat pump systems.

All of our cylinders are manufactured from high quality stainless steel under an ISO9001 certified quality management system in our purpose made manufacturing facility in Manchester.

Key features

- High quality stainless steel
- Heat exchanger specifically designed for heat pump systems
- 25 year manufacturing warranty, subject to annual maintenance
- Highly insulated, Part L compliant
- Full system unvented kits
- WRAS approved product
- ISO9001 certified quality management
- Pre-plumbed models available

* Bespoke cylinders available on request
